Re:MONSTER

リ・モンスター　第6話

原作：金斬児狐

漫画：小早川ハルヨシ

ALL RIGHT, IT'S OVER!

【 DAY 23 】

IT WAS RAINING, SO WE STAYED INSIDE AND HAD A LITTLE EVENT.

SO EVERYONE WAS SPARRING TO DETERMINE THE HIERARCHY.

PICK ME!

ME!

I WANNA GO!

NEXT IS...

THE GOBLINS OF OUR GENERATION HAD TAKEN TO REGARDING ME AS THE CHIEF,

AFTER EVERYTHING ENDED, I HELD A LESSON TO EXPLAIN HOW THE HIERARCHY WORKS.

GOBLIN'S COMMUNITY CUP

1ST

2ND

3RD

4TH

THE RESULTS WERE TO BE EXPECTED.

SURE.

KEEP UP THE GOOD WORK.

I WOULD'VE LIKED TO ESTABLISH A CLASS SYSTEM, BUT THAT'LL HAVE TO WAIT UNTIL THERE'S MORE OF US.

FOR NOW, THIS'LL HAVE TO DO...

THE LOWER RANKS MUST OBEY THE ORDERS FROM THE HIGHER RANKS.

THE HIGHER RANKS HAVE DUTIES AND COMMAND THE LOWER RANKS.

while 10 man captains have 9

5 man captains have 4 subordinates.

I GAVE THEM A RUNDOWN ON THE RULES, AND GAVE A SIMPLE EXPLANATION OF THE CHAIN OF COMMAND.

【 DAY 24 】

IT HAD MADE A GIANT WEB BETWEEN THE TREES,

SO I BURNED IT ALL WITH PYRO-KINESIS.

THE FIRST THING WE FOUND ON TODAY'S HUNT WAS A DEMON SPIDER.

CRUSH

BUT THE WEB BURNED SO WELL, IT BECAME QUITE A SITUATION,

A FOREST FIRE IS THE LAST THING WE NEED.

FRIED DEMON SPIDER TASTES ODDLY LIKE SHRIMP...

▷ LEARNED ABILITY "SPIDER SILK CREATION"

ぐしゃあ

SO I DECIDED TO LOOK FOR MORE DEMON SPIDERS.

THOUGH IT'S NOT ACCURATE ENOUGH TO MAKE WEBS WITH.

I COULD NOW SHOOT OUT SPIDER... GOBLIN SILK, IN THIS CASE, FROM MY FINGERTIPS,

▷ LEARNED ABILITY "SILK SPINNING ARTS"

I CAN USE THIS FOR CATCHING ENEMIES OR JUST SEWING,

THE CARAPACE ALSO LOOKS STURDY, SO WE'LL BRING THAT BACK AS WELL.

I ENJOYED 3 MORE OF THEM.

AFTER WALKING AROUND SOME MORE,

WE FOUND ORCS FOR THE FIRST TIME IN A WHILE.

THERE WERE 6 OF THEM, AND THEY WERE FAR MORE HEAVILY ARMED THAN BEFORE.

AFTER FOLLOWING THEM FOR AN HOUR, WE ARRIVED AT A MOUNTAIN

AND FOUND THE ORCS' MINING OPERATION.

OBVIOUSLY, WE CAN'T ATTACK THEM LIKE THIS, BUT WE WILL GATHER SOME INTELLIGENCE.

THAT TOUGH-LOOKING ONE WITH THE BEST EQUIPMENT IS PROBABLY THEIR BOSS.

ATTACKING THEM WITH THESE NUMBERS IS SUICIDE.

AFTER LEARNING THAT, WE QUIETLY LEFT,

USING ECHOLOCATION, I DETERMINED THERE TO BE DOZENS MORE INSIDE.

WE WERE FAR ENOUGH FROM THE MINES, SO THERE WAS NO RISK OF REINFORCE-MENTS ARRMNG.

WE CAME ACROSS 3 ORCS ON THE WAY BACK.

BUT JUST AS I THOUGHT ABOUT THAT,

WE TOOK THE PICKAXES FOR OURSELVES, BUT HAD TO BURN THE SMELLY CLOTHES ON THE SPOT.

WE DRAGGED THE BODIES TO A SAFE LOCATION, AND ENJOYED EATING THEM THERE.

I GET THAT ORCS SMELL, BUT..

WELL, I SUPPOSE IT MIGHT HAVE SOME USE...

▷ LEARNED ABILITY "STENCH"

【 DAY 25 】

THAT WAS PRETTY GOOD.

IT'S REASSURING TO KNOW MY TRAINING IS HELPING.

BUT THERE ISN'T ANYONE DYING ON HUNTS NOW.

DURING SPARRING THERE ARE SOME WHO HAVE TROUBLE,

THEIR BLACK FUR LOOKED L KE IT WAS MADE OF METAL.

I DECIDED TO CALL THEM BLACK WOLVES.

AFTER THAT, THE FOUR OF US WENT OUT HUNTING, AND FOUND NEW PREY

RATHER THAN THEIR NUMBERS, THE ONE THAT LOOKED L KE THEIR LEADER SEEMED L KE THE BIGGEST OBSTACLE.

HE WAS AT LEAST TWICE THE SIZE OF THE OTHERS, AND HIS ABILITIES L KELY REFLECTED THAT

THE 14 OF THEM WERE IN THE MIDDLE OF A MEAL.

LUCKILY, WE WERE DOWNWIND FROM THEM, ALLOWING JS TO OBSERVE THEM FREELY.

BUT,

A SURPRISE ATTACK COMPLETELY UNDERMINED THAT ADVANTAGE.

BUT THIS ARROW WAS COATED IN A POISON OF MINE.

A NORMAL ARROW WOULD LIKELY NOT HAVE KILLED THE BLACK WOLF LEADER,

THE REST OF THE DEAL WAS SEALED WITH QUICK TEAMWORK.

IT WAS THE FIRST TIME I FOUGHT SOMETHING LIKE A WOLF SINCE RE NCAR-NATING,

BUT AS LONG AS THEY DON'T HAVE ANY SPECIAL ABILITIES, THE USUAL METHODS WILL WORK.

HAVING LOST THEIR GREATEST ASSET, TEAM-WORK,

AND THEIR BITES NOT HAVING ANY REAL EFFECT,

THE ENTIRE PACK OF BLACK WOLVES WAS WIPED OUT.

TO BE HONEST, WITH "SENSE PRESENCE," IT WAS UNNECESSARY, BUT I HAD HIM KEEP WATCH, FOR THE SAKE OF EXPERIENCE.

EXCEPT GOBLIN KICHI, WHO IS JUST UNSUITED FOR THIS KIND OF WORK.

AFTER-WARDS, WE ALL BEGAN TAKING APART THE TROPHIES,

AFTER COLLECTING THE PELTS, WE SPLIT THE MEAT,

EVERYONE GOT ABOUT 4 WOLVES EACH.

THIS IS KINDA FUN

I DID IT!

AFTER DEALING WITH ALL THIS, THE GIRLS SHOULD BE ABLE TO GAIN THE "DISASSEMBLY" ABILITY PRETTY EASILY.

▷ LEARNED ABILITY "PACK LEADER"

▷ LEARNED ABILITY "PACK HUNTING KNOWLEDGE"

▷ LEARNED ABILITY "STEEL SKIN"

BOTH ABILITIES HELP ME WITH ORDERING MY SUB-ORDINATES.

GO!!

"PACK HUNTING KNOWLEDGE" ALLOWS ME TO ISSUE MORE ORDERS AND HAVE THEM FOLLOWED EFFICIENTLY

WITH "PACK LEADER," I CAN CHOOSE THE MOST SUITABLE PERSON FOR A TASK MORE QUICKLY.

THE BLACK WOLF LEADER WAS A GREAT LEADER AFTER ALL.

THIS SHOULD BE A RATHER HANDY ABILITY IN THE FUTURE.

AND "STEEL SKIN" INCREASES THE PROTECTION GRANTED BY ARMORS THAT JSE LEATHER AND PELTS,

AS WELL AS MY OWN SKIN AND HAIR.

【 DAY 26 】

HEHE, SURPRISING, AN'T IT?

SEEMS SHE REALLY LEVELED UP FROM THE FIGHT WITH THE BLACK WOLVES YESTERDAY.

GOBLIN E HAD BECOME A HOBGOBLIN.

WHEN WE GOT UP THE NEXT DAY,

AH!

MORNING, GUYS!

BUT TODAY I HAD EVERYONE CHECK THEIR EQUIPMENT.

NORMALLY EVERYONE WOULD BREAK UP AFTER TRAINING AND GO HUNTING,

TO CONGRATULATE HER I GAVE HER AN ACCESSORY AFTER THAT WE TRAINED AS USUAL.

THE 5 AND 10 MAN CAPTAINS HAD LIGHT LEATHER ARMOR, AND METAL WEAPONS.

THE LOW-RANKING GOBLINS USED STICKS WITH HORNS AS PRIMITIVE SPEARS AND CARAPACE SHIELDS.

SO WE'LL ATTACK THEM.

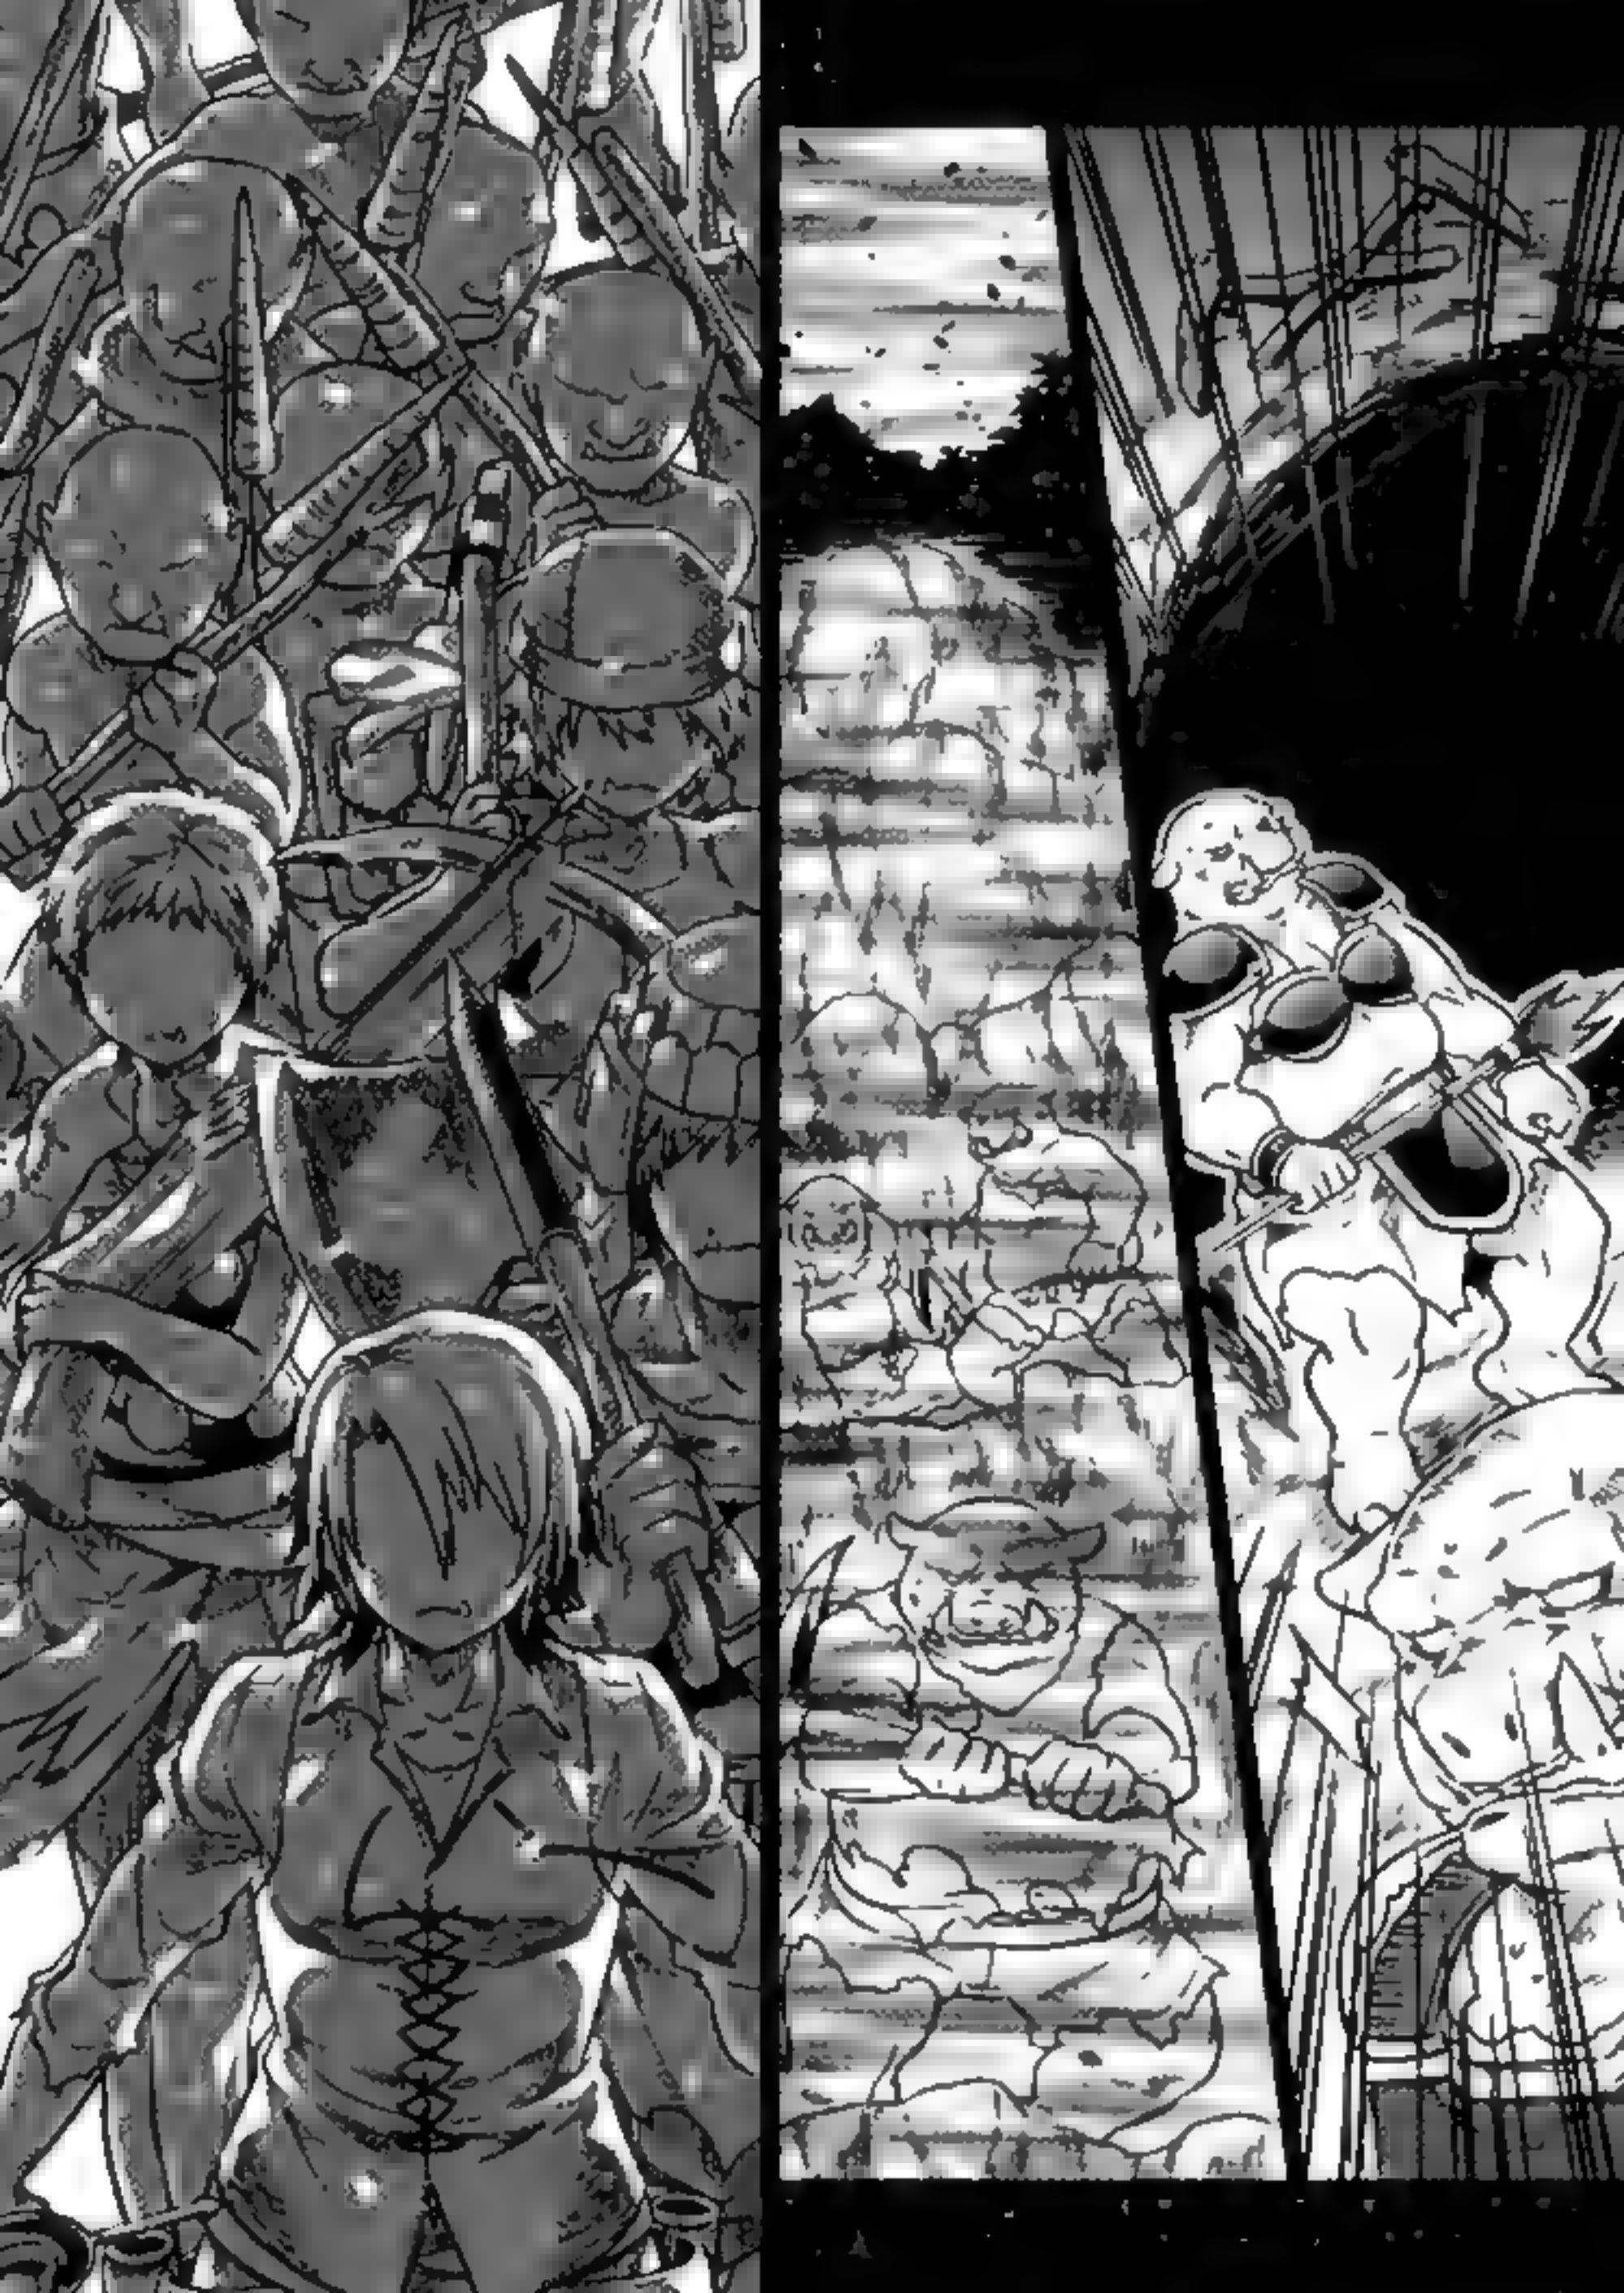
I DON'T HAVE ANY GRUDGES AGAINST THEM, BUT THIS IS NECESSARY FOR US TO SURVIVE.

WE'LL ATTACK,

AND EAT THEM.

TODAY I WAS THINKING OF INCREASING EVERYONE'S LEVELS AND MY OWN SKILL PROFICIENCY

BY LEADING A SURPRISE ATTACK ON THE ORC MINE.



ONE BATTLE FOR SURVIVAL ENDED.

AND SO,

THE ORC LEADER AND ALL THE OTHER ORCS IN THE MINES WERE KILLED.

WE HAD A NUMBER OF INJURED, BUT NO CASUALTIES.

MEAN-WHILE,

GOBLIN ROU, SIR!

HIS ARM IS BARELY STILL ATTACHED!

THE EMPHASIS ON DEFENSE IN TRAINING,

AND MY USE OF SILK ON THE ENEMY HAD A SIGNIFICANT IMPACT.

I HAVE NO INTENTION OF LOSING, SO I ALWAYS KEEP MYSELF PREPARED.

COWARDLY?

IN NATURE THAT DOESN'T MATTER,

IT'S THE LOSERS WHO ARE IN THE WRONG.

I'M TRULY THANKFUL TO THAT WOMAN WHO HAD "JOB: DRUID."

IT'S A GOOD THING I HAD PRACTICED MY "REGENERATE" SKILL.

IF I CAN SAVE THEM, THEN I WANT TO DO WHAT I CAN FOR THEM.

BEFORE THIS I WOULDN'T HAVE CARED IF A GOBLIN DIED.

▷ LEARNED ABILITIES
"RALLYING CRY"
"IMPROVED DIGESTION"
"POLEARM PROFICIENCY"

BUT NOW I SEE THESE GUYS AS SUBORDINATES AND PUPILS.

IT SEEMS THEY WERE GATHERED HERE, SO I GRABBED MYSELF A FEW SPIRIT STONES.

▷ LEARNED ABILITIES
"AERO MASTER"
"STORM RESISTANCE"

▷ LEARNED ABILITIES
"EARTH CONTROL"
"EARTH RESISTANCE"

AFTER STRIPPING THE ORCS OF THEIR BELONGINGS, WE ENJOYED SOME ROAST PORK.

I WONDER WHAT HAPPENED TO THAT BEER I BOUGHT BEFORE DYING...

AH, I REALLY WANT A NICE COLD ONE...

OBVIOUSLY, I HAVEN'T HAD ANY SINCE REINCARNATING.

?

GRILLING ORC MEAT ON A METAL PLATE MAKES ME REALLY WANT SOME BOOZE.
